BUREAU OF THE MINT,

Washington, D. C., July 14, 1887.

Hon. Daniel M. Fox,
Supt. U. S. Mint,
Philadelphia, Pa.

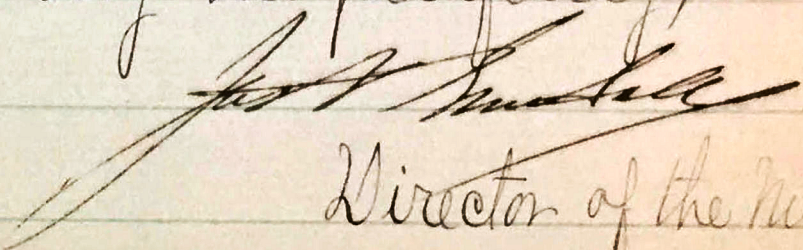

Sir:-

The amount of 5¢ nickels in the Treasury is in excess of the requirements for the transaction of public business. I have therefore requested the Secretary of the Treasury to cause the sum of \$50,000 in 5¢ nickel pieces to be transferred by you from the Assistant Treasurers at Philadelphia and New York, from time to time in such sums as may be convenient for you to receive.

This will enable you to fill the current orders for 5¢ nickel

pieces, and to this extent avoid the complaint of persons desiring minor coin. These coins should be simply assorted and pieces unfit for circulation taken out for re-coining.

You should notify* persons desiring 5¢ nickels, that at present it is not practicable to send them either new pieces or clean coin.

Very respectfully,

Director of the Mint.
